

Hard Hat Waiver

I, the undersigned, recognize the dangers inherent with horseback riding. I am assuming the hazard of this risk upon myself, since I wish to ride. I realize that I am subject to injury from this activity and that no form of preplanning can remove all the danger that I am exposing myself to in riding horses. I have been offered a protective riding helmet, which could prevent permanent damage in the event of an accident. Against the advice of the stable operator, the wrangler guide, and the insurance company, I am refusing this critical safety precaution.
